

Summary Friday Sermon 07 August 2020

Delivered by Hazrat Khalifatul Masih Al-Khamis (a.b.a.)

After Tashahhud, Ta'awwaz, Surat Al Fateha and the recitation and translation of Surah al-Saff:

“They desire to extinguish the light of Allah with the breath of their mouths, but Allah will perfect His light, even if the disbelievers hate it.” (61:9)

“He it is Who has sent His Messenger with the guidance and the Religion of truth, that He may cause it to prevail over all religions, even if those who associate partners with God hate it.” (61:10)

Huzur-e-Anwar said: Today is the 7th of August which is usually the first day of JalsaSalana UK. Due to the pandemic the Jalsa could not take place. We pray to Allah that the pandemic may pass soon so that we can resume the traditional style of Jalsa Salana. Anyway, MTA International has made a schedule to celebrate this occasion to a certain extent. They will broadcast my speeches from previous Jalsa Salana's as well as some live programs. So, be sure to watch these three-day programs while you are at home. At the same time, I thought of presenting the latest report regarding the successes that Allah has granted our Jamaat during this year, so that it could become a source of strengthening faith. Today's sermon as well as the address of Sunday evening will be telecast live from this very hall and I will InshAllah present different faith-inspiring events to you.

Huzur-e-Anwar said: Despite this situation, the Jamaat has had many successes by the grace of Allah, especially in the field of tarbiyyat and inter-community relationships.

Huzur-e-Anwar presented several writings of Hazrat Masih-e-Maoud (as) in which he had clearly announced that the success and promoting of Islam are directly linked to him. Huzur-e-Anwar said that despite all opposition, this movement of Hazrat Masih-e-Maoud (as) will Inshallah excel and spread. This has been promised by Allah. Hazrat Masih-e-Maoud(as) states: “I was told that the following verse refers to me and the success of Islam will be brought about by my hands during my time”

(هُوَ الَّذِي أَرْسَلَ رَسُولَهُ)

Hazrat Masih-e-Maoud(as) further said: “Allah Almighty has created this movement in this time so that it can prove that Islam is a living religion and so that people would recognize Allah Almighty with such conviction, that all sinful things would wash away and righteousness and purity would prevail.”

After this, Huzur-e-Anwar gave a detailed account of Allah’s blessings on the international Jamaat-e-Ahmadiyya. Huzur-e-Anwar said: I usually present this report on the second day of Jalsa, but since Jalsa is not taking place this year, I thought of presenting it in two installments. Thus I will present the second part of this report on Sunday evening at four’ o’clock (pm) from the same hall. It will be presented in the style of the Jalsa Salana address so that the whole world can listen to the accounts of blessings on Jamaat-e-Ahmadiyya through MTA.
